Wait a second, I did see you. You have a custom plate, something like "Quick Vert"? And you rolled in with a blue turbo driver, too?

Were you out there with your kid saturday night? I talked to a guy in a yellow vert like yours, but said he wasnt you. Either that or the tattoos made you weary:laugh:

I need to be careful, I am getting a little big for my britches. I look at a 13.54 and think "You know, I could probably take that."
