Well since I run 11s in the 1000 foot at around 97, I am going to bet you are faster than me. :)

Welcome to the site!

I have seen that enough times now to say it is almost common.

I can't say anything about it, though, for years we ran a LT1 in our Plymouth.

(Yes, that is LT1, not LS1)

Welcome to the site!!B)

See this is very weird, I have a Lebanon Valley Raceway up here in the NY. Thats just strange
