
Aug. midnight drag's

Posted by jrjohnston - 2007/07/22 10:39

Does anybody realize that the midnigthdrag's are the same weekend as crusin' the light's in Branson?

Just a thought.

Just works out that way. Midnight Drags are the second Sat of the month, so it just happens that those two events coincide.

They are playing it pretty close to the chest, which makes perfect sense.

My understanding is that they are going up against a Fox body with an LS1 motor grafted to it in some kind of unholy union, along with "a ton of Nos" so I guess we'll see what happens. ;-)
